

The information and images in this brochure are based on the current technical data when going to print. The equipment shown is factory fitted or available as an option at extra cost, depending on the model. Where a feature is described as an option it should be assumed that it is at extra cost unless specifically stated otherwise. There may be some feature combinations that are not available in the UK and some photography may feature left hand drive vehicles. As part of a policy of continuous specification improvement, Peugeot reserve the right to modify the technical equipment, options and colours at any time. For full specification details please refer to the specification leaflet or ask your Peugeot dealer who will be happy to help. Note that current print and photographic techniques do not allow us to faithfully reproduce the full depth and tone of the colours in this brochure. This brochure is designed to provide general product information and is not a contractual document or offer of sale. For current information please contact your nearest franchised Peugeot dealer. The details in this catalogue cannot be reproduced without the express authorisation of Peugeot.

■ **Looking good**

The New Peugeot Partner Van has been restyled. With a newly designed radiator grille, a more robust bonnet, reinforced bumpers and curvaceous wings, it's sure to turn heads.

The New Partner Van, for a stylish working drive.

Whatever your job, the New Partner Van can add a bit of individuality to your business as well as a professional look. It's just as practical and reliable as ever, but now with its exciting new design, it looks even better. From a choice of 2 badge levels, 2 payloads, 3 engines and with the addition of some attractive new colours to the range, the New Partner Van offers a specification to meet all your practical needs. So if you're looking for a new van, the Peugeot Partner is the one for you.

Front fog lights, kerbside sliding door and metallic paint are extra cost options.

■ **Halogen headlamps with clear polycarbonate lenses**

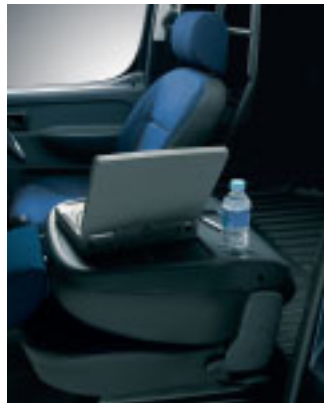

■ **Front fog lights**
(optional on LX)

Sit back and relax.

"Because I'm on the move all the time, I need my van to be my office, not just a vehicle to carry my tools. That's where the Peugeot Partner comes into its own with its spacious, comfortable and practical cabin."

■ Multifunction passenger seat*

If you need to quickly do some figures or have another look at those plans while you're out of the office, the passenger seat can be quickly and easily folded down to make a useful desk, or just to make more room. A hidden storage space can also be found underneath this seat.

* Available as standard on LX only

■ Steering wheel mounted remote controls

To help you keep your eyes on the road, and for your added comfort, stalk mounted remote controls for adjusting all radio/cassette functions are standard.

■ Overhead storage

To give you even more space, the Partner LX has a full width overhead shelf for additional storage. There's even a map light to help you read in the dark.

■ 4-dial instrument panel

The new 4-dial panel is even clearer to read, giving you all the information you need on your journey - showing the odometer, rev counter, water and fuel gauges. A digital readout on start up advises the oil level and distance to next service.

■ Cabin comfort

The ergonomically designed central console has all controls within easy reach with the central information screen incorporating a digital clock and the radio display on top of the dash.

Can something be comfortable, stylish and functional at the same time? With the Peugeot Partner the answer is definitely yes. There are clever storage spaces to make your working day easier, while optional air conditioning and a practical dashboard add even more to your comfort. If you are looking for less strain when you're driving around town, the variable power-steering makes short work of those tight parking spaces while the steering wheel mounted stereo controls make sure your eyes stay on the road. Even the electrics are more efficient with the whole network multiplexed and optimised for maximum efficiency. But we know it's the little things that can make a big difference - so you'll experience automatic central locking* when you're driving and a remote control vehicle locator* if you can't remember where you parked. There are even intermittent windscreen wipers linked to the speed of your vehicle and a headlight delay security illumination that helps you after dark.

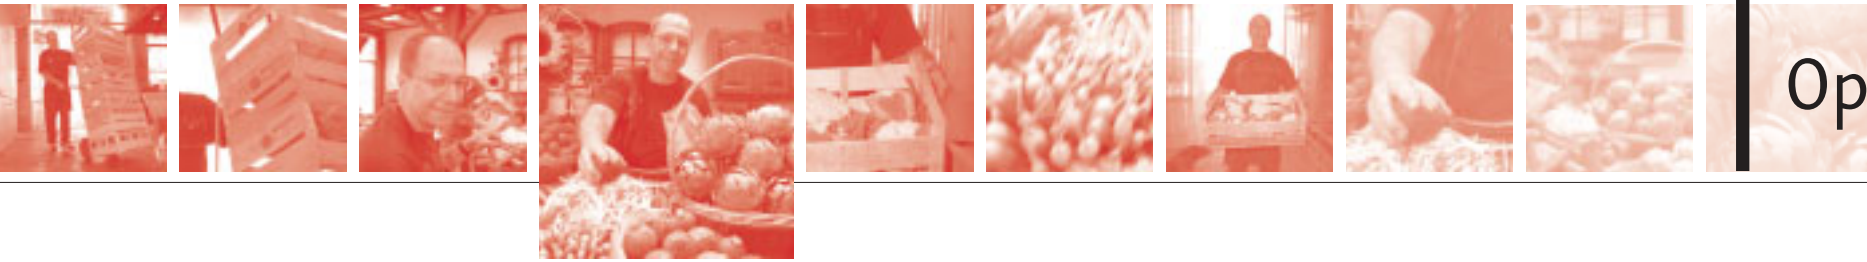

* Available as standard on LX only

■ Store more than you think

If you're looking to store pens, change or some other items the dashboard has compartments for all of them. Two grooved, flat surfaces are great for smaller objects while three cup holders keep your morning coffee in easy reach when you're taking a well-earned break. And if you need to put a clipboard or map out of harms way, there's also a larger open fronted storage area (not applicable where passenger airbag is specified).

Hugh, market trader

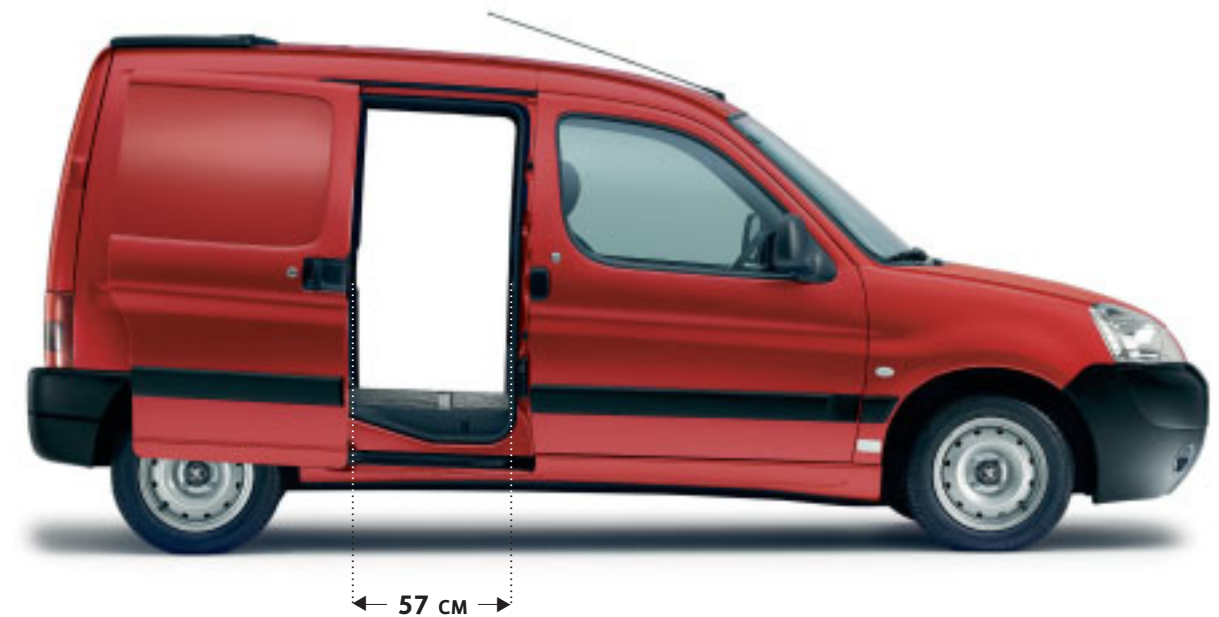

Open up to the new look.

"The great thing about the New Peugeot Partner is it's small enough to zip between those little gaps at rush hour while big enough to carry all my produce."

If you need to get to your stock or tools as quickly as possible, the sliding side doors* on the New Partner will make it easier than you think. Add to that rear doors that open a full 180°, plus you've got up to 800kg payload and 3m³ of useable space.

* Option at extra cost

■ Sliding side doors

All models have the option of one kerbside sliding door while the LX model offers the option of twin sliding side doors.

■ Rear roof flap

If you need to carry longer objects, this optional roof flap will help you transport items more safely with no trouble at all.

■ Folding rear doors

Because they can be opened to 180°, you can fit an impressive 3m³ volume into the back.

Partner

Liz, florist

Powering your business. Protecting your world.

“As I’m carrying loads of different flowers from white lilies to bunches of roses and wedding bouquets, I need a van that is reliable and environmentally friendly, just like me.”

■ Airbags

To keep you as safe as possible, the driver and passenger airbags* are the largest size you can get (60 and 100L) and there’s the added protection of side airbags as an option on the LX trim level.

* Option at extra cost

■ Engine:

Petrol or diesel

If you enjoy driving petrol engines the LX model offers a 1.4 litre unit. For the diesel lovers, both models offer the 1.9 litre engine with the 2.0 HDi turbo diesel available on the LX.

■ Brake lights

For added safety there’s a third brake light on the rear door, giving the driver behind you more time to react in the event of sudden braking.

The innovative HDi turbo diesel engine has the perfect balance of power and economy while also being kinder to the environment. Its “Common rail” system generates 20% less emissions while reducing fuel consumption at the same time. And we don’t compromise on safety either, with driver, passenger* and side airbags*, pre-tensioned seatbelts with weblocks and ABS* designed to keep you and your business safe.

* Options at extra cost

Kerbside sliding door and metallic paint are options at extra cost.

Annie, painting restorer

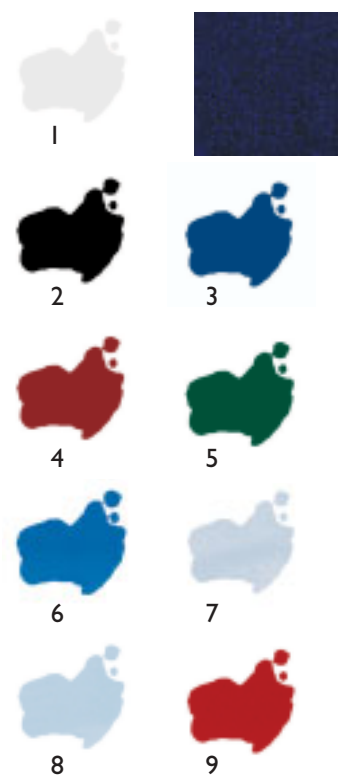

Features to make your job easier.

“Because of my job, I have to transport everything from my paint set and restoring equipment to customers' pictures - which can be any size. The New Partner prepares me for the unexpected.”

Bulkhead
A driver's ladder frame protector is standard on all models. An optional half-height steel bulkhead that protects you and your passenger is also available with an upper grille mesh (as shown).

The New Peugeot Partner is a true multi-purpose commercial vehicle. With different versions to choose from, there's a New Partner for every professional. So whether you need a 600kg or 800kg payload, one or two extra sliding side doors or a rear tailgate - you'll find a model that's perfect for you and your business.

Trim
Westmorland cloth

Panel Van	L	LX

Accessories

■ Towbar

Engineered and extensively tested to the highest standards. Available with single or double electrics.

■ Roof Bars – 100kg capacity

The longitudinal roof rails can be simply transposed to create roof bars.

■ Door mounted wind deflectors:

They increase interior ventilation and minimise buffeting.

■ Dog Guard:

Finished in matt black, the dog guard is simple to remove and replace. The installation does not require any drilling.

■ Navigating you around the jams:

Smartnav combines live, forecast, incident and historical traffic information to give you the best possible route from A to B. The powerful computer that calculates your route is housed outside your car, which means that the mapping information is always up to date. What's more, Smartnav will automatically react to any unforeseen changes in traffic conditions and where possible offer you an alternative route.

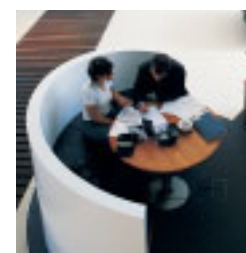

The Peugeot Customer Promise

When you buy a new Peugeot vehicle from a Peugeot Dealer in the UK and entrust your vehicle to one of them for servicing or repair, they promise: to give you the best people, with the best training and diagnostic tools, Genuine Peugeot parts and the best aftersales backup, all at a competitive price.

the Peugeot Dealer network in the UK. This optional Warranty is offered free of charge but subject to the manufacturer's recommended servicing being carried out by an authorised Peugeot Dealership.

This additional Warranty carries a mileage limit of 60,000 miles (100,000 miles for Boxer models excluding Motorhomes and other converted vehicles) from first registration.

The conditions of the additional 1 year Warranty are identical to those of the 2 year manufacturer's Warranty. (For full terms and conditions, please consult your Peugeot Dealer. NB: This 3 years of Warranty is automatically transferable on the sale of the vehicle.)

■ Peugeot Peace of Mind

Peugeot vehicles are designed and manufactured to give you worry-free motoring and peace of mind. As a Peugeot owner you are entitled to a comprehensive range of customer care services from your Peugeot Dealer who has the expertise to maintain your Peugeot to its peak performance.

■ Peugeot Warranties

• 3 Years of Warranty:

In addition to the 2 year unlimited mileage manufacturer's Warranty, all vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a free optional additional 1 year of Warranty provided by

• 12 Year Anti-Perforation and 3 Year Paint Warranty:

Also automatically transferable on sale of the vehicle, this will maintain and enhance the resale value of your car. (The Anti-Perforation Warranty is limited to 6 years and the Paint Warranty to 2 years on 206 Van, Partner, Expert and Boxer vans.)

■ Peugeot Extended Warranty

Should you need protection beyond the initial 3 years of Warranty, the Peugeot Extended Warranty plan can give you cover of up to 120,000 miles or 4 to 5 years on cars, or 4 years with unlimited mileage on Partner, Expert, Expert Combi and Boxer vans. Available as an option at extra cost, the Peugeot Extended Warranty is one of the most competitive schemes of its type and is available exclusively to Peugeot owners. Please ask your Dealer for full details.

■ Peugeot Assistance

For the first year of ownership you will automatically receive Peugeot Assistance cover for complete peace of mind. Additional Peugeot Assistance may be purchased for the second and third years. Operated by the RAC, it includes roadside assistance, vehicle recovery, free replacement vehicle or hotel accommodation and chauffeur provision in case of certain medical disabilities. Peugeot Assistance is available within the UK and Europe. Your local Peugeot Dealer has full details of terms and conditions.

■ Peugeot Service Care

Peugeot petrol engine vehicles need servicing every 20,000 miles or every 2 years, whichever is sooner. Drivers of diesel versions also benefit from extended servicing with 12,000 miles (10,000 non HDi diesel vehicles) or 2 year intervals. With less time spent in the maintenance bay and fewer service visits, Peugeot have passed on the benefits of technology in engine design and lubrication. Cost savings compared to competitive models increase with mileage covered, and could be up to 45%.

In order to minimise the inconvenience associated with normal servicing, Peugeot UK Dealers promise to offer you the choice of:

- while you wait servicing with a timed appointment;
- or local vehicle collection from your home or place of work;
- or alternative transport to the railway station, home or place of work;
- or by arrangement, a hire vehicle at a concessionary rate.

In addition they will aim to ensure that your vehicle is washed before it is returned.

■ Peugeot Insurance Centre

Peugeot Insurance has been specifically arranged for Peugeot owners. Offering discounted premiums and a fast and efficient claims service, it is another benefit of owning a Peugeot. Your Dealer can provide a proposal form for a free quotation or you can call the Peugeot Insurance Centre direct on 0845 200 1234 for a free quotation.

Alternatively, contact: Peugeot Insurance Centre The Wharf Neville Street Leeds LS1 4AZ

Whatever Peugeot you drive, we guarantee you a competitive premium for your Motor Insurance. As a valued customer of Peugeot we'll make sure you get the very best premium quotation possible from Peugeot Insurance.
